Dear sir or madam:

I would like to apply for the Manager position with Zhixing, which was post on your website. I believe that my education and experiences make me a well-suited candidate for this position.

I will be receiving my Bachelor of Engineering in traffic engineering this June. Last year, I participated in huawei ICT industry competition and achieved excellent results in traffic planning task. Besides, My SRTP project, which is also related to transportation planning, has been successfully concluded. Additionally, I understand java and python and can skillfully use some traffic simulation software such as vissim and sumo.

Please find enclosed a copy of my resume to provide you with additional details regarding my background. I would greatly appreciate the added opportunity to meet with you. Thank you for your attention to my application. I look forward to talking with you.

With regards,
Zhang Ning
